Message from Debbie Butler, Executive Director

Greetings shelter family and friends...

Spring is in the air and we are all reminded of why we love living in Florida ! Our grass is growing, flowers are blooming and animals are breeding. Kitten and puppy season is upon us and we are already seeing it at the shelter. We have a litter of six puppies that are fighting for their lives because of a terrible virus. Litters of kittens are coming daily. I'm bottle feeding a litter of 4 myself.

We all need to help stop the breeding by staying and neutering our pets. I know most of you reading this are responsible pet owners, but you can help by spreading the word. That's the best we can do, is educate people who don't know the importance of it. I feel like a broken record saying the same thing over and over, but it is so important.

As always, Deb

Featured Dog - Charlie

Charlie is about 7 years old and is one of the sweetest dogs you'll ever meet. He's incredibly friendly and loves getting affection and attention from everyone he meets. If you have hands available for pets, Charlie is more than happy to soak them all up!

He does great on walks and really enjoys being outside, taking in the fresh air and exploring the world around him. Charlie has a gentle, easygoing personality that makes him a joy to spend time with.
