

Leesburg Humane Society

Message from Debbie Butler, Executive Director

Greetings shelter family and friends

I hope everyone is enjoying their summer by vacationing and soaking in the Florida sun. Here at the shelter, we haven't had any more troubles due to storms other than power outages and the phone and internet going out. It's quite surprising how everything can come to a screeching halt without them. The animals, however, don't care whether we have either one!

Summer time is historically a slow time at the shelter as far as adoptions, so we take this time to do projects that have been waiting. Ed, our dedicated volunteer, has been helping to get the projects done. He has single handedly made one of our less used rooms into a new intake room for new cats coming into the shelter. He had to move the already established cages from a less convenient area to a quiet, and more convenient area. I have been wanting to do this for some time now, but it was a big job. As always, when I explained to Ed what I wanted to do, it was as good as done. He used to have a nice crew that worked with him, but due to life circumstances, he's the lone wolf now. Hopefully we will get some more handy men or women that can help him in the future, because I have many more ideas.....

As always Deb

Leesburg Humane Society's Forever Home Pet Trust Virtual Presentations

What Will Happen to Your Pet if
Something Happens to You?

This remote presentation is ideal for anyone who lives out of our area. Learn about our program from the comfort of your home!

In person presentations are also available for groups.

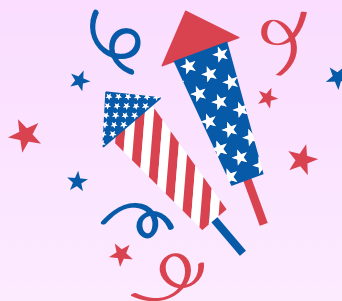

- This program is available to any pet parent located in the US.

- Provides a permanent location for pets to live out their lives in homes with resident staff members if something happens to their human companion.

- Learn more about how the program works, funding options and advanced planning for your pet.

Contact us to schedule a date that works for you. Once the date is scheduled, you will be sent a link to join the meeting.

Leesburg Humane Society

Featured Dog - Marina

Marina is a sweet 1 year, 7 month old girl who came to us as a transfer from another shelter with a very important job: being a mom. She arrived with her two week old puppies and has done an amazing job raising them.

Marina is a friendly, affectionate girl who loves being around people. She enjoys playtime, attention, and making new friends wherever she goes. Her gentle nature and happy personality make her a wonderful companion for anyone looking to add a loyal best friend to their family.

Featured Cat - Midnight Rain

As handsome as his name, Midnight Rain is a 3-year-old dark gray gentleman with a heart just as beautiful as his sleek coat. This sweet boy loves attention and is ready to trade shelter life for a cozy home where he can finally relax and be someone's loyal companion.

If you've been looking for a loving feline friend, Midnight Rain may be the one you've been waiting for. Come meet him and see if he's the missing piece of your family. Visit us to meet Midnight Rain and give this wonderful boy the forever home he deserves!
